Synopsis of the content of Shows No. 3 + 4 - Junior Schools

Duration:	Approximately 40 minutes
Age Range:	7-11 years
Optimum audience size:	Up to 150 children
Requirements:	Access needed to 13 amp socket

Part 1 The Importance of colours

Introduction to the messages they give

Part 2 Stop, Look, Listen, Think (With the help of Mr Rocco)

Emphasising importance of thinking ahead

Part 3 Crossing the road safely

Green Cross Code explained

Part 4 Finding Safer Places to Cross

Practical demonstration of Pelican Crossing, Zebra Crossing and Traffic Lights

Part 5 Importance of Cycle Helmets, Correct use of Mobile Phones & ipods

Crossing in a Group & Wearing Hooded Tops

Part 6 Road Safety Quiz

General road safety questions on speed, pelican crossings, traffic lights and school crossing patrols

Part 7 Final Reinforcement

Key messages reinforced

Please Note:

*For the bigger primary schools we like to split the children - 7-9 and 9-11 years,
and do two slightly different presentations to allow for the difference in ages*
